Mr. Goodhue, I will be at your office Monday December 17, at 2:00pm. I have one non-negotiable demand, that Duffy attend. He is the one, I believe litigating this claim and he is the one that originally offered a 'reasonable settlement, in good faith' for just \$3,400.00 he would so generously let me off the hook of a \$100,000.00 / \$1,140 for a total of \$87.72. Let me know right a way if Duffy acts shy, so I have time to get leave to subpoena him . . . David.

**Re: AF Holdings LLC v. Does 1-1,140  
1:11-cv-01274 RBW, Ref #8569**

Dear David Harris:

Prenda Law Inc. has been retained by AF Holdings LLC to pursue legal action against people who illegally downloaded their copyrighted content (i.e., "digital pirates"). Digital piracy is a very serious problem for adult content producers, such as our client, who depend on revenues to sustain their businesses and pay their employees.

On 6/3/2011 12:49:34 AM (UTC), our agents observed the IP address with which you are associated illegally downloading and sharing with others via the BitTorrent protocol the following copyrighted file(s):

***Sexual Obsession***

*The ISP you were connected to: Cox Communications*

*Your IP Address you were assigned during your illegal activity: 70.176.202.3*

We have received a subpoena return from your ISP confirming that you are indeed the person that was associated with the IP address that was performing the illegal downloading of our client's content listed above on the exact date(s) listed above

On July 13, 2011 we filed a lawsuit in the United States District Court for the District of Columbia against several anonymous digital pirates (AF Holdings LLC v. Does 1-1,140). Under the Federal Rules of Civil Procedure, our lawsuit against you personally will not commence until we serve you with a Complaint, which we are

Tel: 312.880.9160  
Tel: 305.748.2103

prepared to do if our settlement efforts fail. While it is too late to undo the illegal file sharing associated with your IP address, we have prepared an offer to enable our client to recover damages for the harm caused by the illegal downloading and to allow both parties to avoid the expense of a lawsuit.

Under the Copyright Law of the United States, copyright owners may recover up to \$150,000 in statutory damages (in cases where statutory damages are applicable, which may or may not be the case here) per infringing file plus attorney's fees in cases, whereas here, infringement was willful. In at least one case where the Copyright Law has been applied to digital piracy and statutory damages were applicable, juries have awarded over \$20,000 per pirated file. During the RIAA's well-publicized campaign against digital music piracy, over 30,000 people nationwide settled their cases for amounts ranging from an average of \$3,000 to \$12,000. More recently, on December 22, 2010, a case in which a defendant was accused of illegally downloading six works via BitTorrent, a settlement was reached for \$250,000.

In light of these factors, we believe that providing you with an opportunity to avoid litigation by working out a settlement with us, versus the costs of attorneys' fees and the uncertainty associated with jury verdicts, is very reasonable and in good faith.

In exchange for a comprehensive release of all legal claims in this matter, which will enable you to avoid becoming a named Defendant in our lawsuit, our firm is authorized to accept the sum of **\$3,400.00** as full settlement for the claims. This offer will expire on **January 12, 2012, at 4:00 p.m. CST**. If you reject our settlement offers, we expect to serve you with a Complaint and commence litigation.

To reiterate: if you act promptly you will avoid being named as a Defendant in the lawsuit. You may pay the settlement amount by:

- (a) Mailing a check or money order payable to "Prenda Law Inc. Trust Account" to:

**Prenda Law Inc.  
1111 Lincoln Rd., Suite 400  
Miami Beach, Florida 33139;**

- (b) Completing and mailing/faxing the enclosed payment authorization to:

**Prenda Law Inc.  
1111 Lincoln Rd., Suite 400  
Miami Beach, Florida 33139  
Facsimile: (305) 748-2103.**

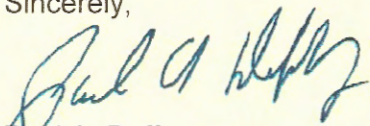

Be sure to reference your case number and your "Ref#" on your method of payment. Regardless of your payment method, once we have processed the settlement, we will mail you your signed Release as confirmation that your payment has been processed and that you have been released from the lawsuit.

Please consider this letter to constitute formal notice that until and unless we are able to settle our client's claim against you, we demand that you not delete any files from your computer or any other computers under your control or in your possession. If forced to proceed against you in a lawsuit, we will have a computer forensic expert inspect these computers in an effort to locate the subject content and to determine if you have deleted any content. If in the course of litigation the forensic computer evidence suggests that you deleted media files, our client will amend its complaint to add a "spoliation of evidence" claim against you. Be advised that if we prevail on this additional claim, the court could award monetary sanctions, evidentiary sanctions and reasonable attorneys' fees. If you are unfamiliar with the nature of this claim in this context, please consult an attorney.

We strongly encourage you to consult with an attorney to review your rights in connection with this matter. Although we have endeavored to provide you with accurate information, our interests are directly adverse to yours and you should not rely on the information provided in this letter for assessing your position in this case. Only an attorney who represents you can be relied upon for a comprehensive analysis of our client's claim against you.

Enclosed, please find a Frequently Asked Questions sheet, a payment authorization form and a sample of the Release that you will receive. We look forward to resolving our client's claim against you in an amicable fashion, through settlement.

Sincerely,

Paul A. Duffy

Dear David Harris:

On December 29, 2011 our office sent you correspondence regarding the above-referenced copyright infringement lawsuit that was filed on July 13, 2011 in the Northern District of Illinois. Our office has also attempted, in good faith, to contact you in an effort to resolve this matter amicably and avoid litigation. To date, we have not been able to resolve this matter with you.

We recommend that you retain an attorney to assess your rights and liabilities in this matter. If you do so, please provide them with this letter so they may contact our office. If our office does not hear from you by February 13, 2011, we will presume that you are not interested in resolving this matter through settlement.

Sincerely,

***RE: CLARIFICATION***

Dear Joseph Perea,

I am in receipt of your letter dated January 30, 2012. I have decided to comply with your request, however I feel it necessary to point out irregularities in your letter:

- The lawsuit you described does **NOT** exist in the Northern District of Illinois.
- Your "settlement offer" does **NOT CONFORM** to Federal Rules 2 and 3.
- Your "settlement offer" **DOES** fall under Arizona Law: ARS 13 §1804:

    - C. Theft by extortion as defined in subsection A, paragraph 1 is a class 2 felony. Otherwise, theft by extortion is a class 4 felony."
- You sir are a **FELON** and a **CRAVEN**.

That having been said, here is your instructions for payment: I have placed thirty-four crisp one hundred dollar bills on my cocktail table in my living room, you can have it, however I will not be intimidated by your insolence, so if you want it come and get it the way any other reprobate, street thug would.
